

POINT UNIVERSITY SKYHAWKS

BACKGROUND, MISSION AND VISION

Founded in 1937 as Atlanta Christian College, Point University is a private, four-year liberal arts institution preparing students to influence culture for Christ in all spheres of life – through business, church, government, arts and entertainment, education, media and family.

The Athletic Department at Point University exists as a support to the University's mission by offering extra-curricular opportunities for students to participate in intercollegiate sports activities that help them grow personally and socially. In particular, the Athletic Department enhances general life knowledge, skills and abilities, including physical fitness, self-confidence, leadership and teamwork. A variety of intramural teams are also available.

CAMPUS LOCATIONS

The University's historic campus is located in East Point, Georgia, a suburb of Atlanta. In fall 2012, the traditional, residential campus will relocate to West Point, Ga., just an hour away near the Alabama border. The historic campus will continue to operate as a site for Access, the adult degree program. The University has satellite locations in Peachtree City, Ga. and Savannah, Ga.

PRESIDENT

Dean Collins

ENROLLMENT

1,288 students (September 2011)

CONFERENCE & AFFILIATIONS

Point University is a member of the National Association of Intercollegiate Athletics (NAIA) and the Appalachian Athletic Conference (AAC). While Point's teams move up to NAIA level in 2011 and 2012, some teams will continue to compete in the National Christian College Athletic Association (NCCAA).
