The mission of Point University is to educate students for Christ-centered service and leadership throughout the world.

Point University is accredited by the Commission on Colleges of the Southern Association of Colleges and Schools (SACS) to award the associate and baccalaureate degrees. Contact the Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097 or call 404-679-4500 for questions about the accreditation of Point.

This ***POINT UNIVERSITY ADULT & PROFESSIONAL STUDIES CATALOG*** presents the non-traditional curriculum and programs of Point University. For general college policies and procedures and specific information regarding the traditional curriculum and programs of Point University, please refer to the ***Point University General Catalog***.

**ACCREDITATION STATUS INQUIRIES COMMENTS:** Point University's primary accreditor is the Commission on Colleges of the Southern Association of Colleges and Schools (SACS). The Commission on Colleges states that it may be contacted at 1866 Southern Lane, Decatur, Georgia 30033-4097 or telephone number 404-679-4501 for three purposes: (1) to learn about the accreditation status of Point University; (2) to file a third-party comment at the time of Point's decennial review; or (3) to file a complaint against the institution for alleged non-compliance with an accreditation-related standard or requirement, and only if there is evidence that appears to support significant non-compliance. All other inquiries, such as for admission or academic information, should be made directly to the appropriate University office.

**NONDISCRIMINATION POLICIES:** Point University does not discriminate on the basis of age, gender, color, race, nationality, national or ethnic origin, or disability in the administration of admission policies, educational policies, financial aid, employment, or any other college program or activity. Point University admits qualified students whose character is compatible with the purpose of the University without regard to age, gender, color, race, nationality, national or ethnic origin, or disability.

Point University does not discriminate on the basis of disability in the recruitment and admission of students, the recruitment and employment of faculty and staff, and the operation of any of its programs and activities, as specified by federal law and regulations. The designated coordinator for compliance with section 504 of the Rehabilitation Act of 1973 is the president of the University.

**HOW TO INTERPRET AND USE THIS CATALOG:** The *Point University Adult & Professional Studies Catalog* is an information book and reference guide. Information contained in this catalog is accurate as of the date of publication. The statements set forth are not to be construed as the basis of a contract between the student and the institution. Point University reserves the right to change any policy, procedure, provision, student expense, course, degree program, and/or requirement for graduation through appropriate processes. Every effort will be made to publicize changes. The University further reserves the right to ask a student to withdraw at any time.

Students are expected to know and follow the policies, regulations, and procedures presented in this catalog, the *Point University General Catalog*, and *A Covenant for a Christian Community* (the student handbook). Awareness of the college calendar, critical deadlines, and all college mail received by postal service, by email and/or in a student's college mailbox is also the student's responsibility.

For specific information regarding the traditional curriculum and degree programs of Point University, please refer to the ***Point University General Catalog***.

# GENERAL UNIVERSITY INFORMATION

## History

Point University, formerly Atlanta Christian College, was founded in 1937 by Judge T. O. Hathcock (1879-1966), who served on the bench in Fulton County, Georgia, from 1914 until 1942. He and his wife, Nora Head Hathcock, were members of the independent Christian Church; to this day, the University maintains its affiliation with the Christian Churches and Churches of Christ.

For the first 75 years of its history, Point University operated out of East Point, Georgia, a suburb of Atlanta. The historic campus was part of a 300-acre farm inherited by Mrs. Hathcock. With a barn, livestock and cultivated fields, the campus in its earliest days had a distinctly rural flavor.

Following its founding, Point University devoted attention primarily to the education of ministers, missionaries and other church-related workers. In 1965, the University became an accredited member of the American Association of Bible Colleges (AABC). In 1990, in conjunction with a broadening of the curriculum, the University was accredited by the Southern Association of Colleges and Schools (SACS) and voluntarily withdrew from AABC membership.

In recent years the University has added the Access program for the continued education of adult students. An off-site location in Peachtree City, Georgia was added in 2009. On July 1, 2011 the University was renamed Point University and the relocation of the traditional main campus to West Point, Georgia took place in the summer of 2012. An additional off-site location in Savannah, Georgia was also launched in January 2012.

The University has had seven presidents: Mr. George W. BonDurant (1937-47), Dr. Orvel C. Crowder (1947-55), Mr. James C. Redmon (1955-78), Mr. Paul K. Carrier (1978-84), Dr. James C. Donovan (1984-93), and Dr. R. Edwin Groover (1993-2006). Mr. Dean C. Collins is the current president.

## Accreditation and Recognition

Point University is accredited by the Commission on Colleges of the Southern Association of Colleges and Schools to award associate and baccalaureate degrees. Inquiries regarding the University's accreditation status may be made to the Commission: 1866 Southern Lane, Decatur, Georgia 30033-4097; or telephone number 404-679-4501. All other inquiries, such as for admission or academic information, should be made directly to the appropriate Point office.

Point's Department of Education, the University's professional education unit, is accredited by the National Council for Accreditation of Teacher Education (NCATE). This

accreditation includes the initial teacher preparation level. The Georgia Professional Standards Commission (PSC) has granted accreditation to the early childhood education preparation program (preschool through fifth grade) and the English to speakers of other languages (ESOL) endorsement program. Middle grades education is pending NCATE and PSC approval.

The University is recognized by the U.S. Office of Education and is listed in the Education Directory. United States Citizenship and Immigration Services (USCIS) of the Department of Homeland Security have approved Point University for acceptance of foreign students. Students who are eligible for benefits under programs administered by the Veterans Administration, State of Georgia Rehabilitation and Social Security are approved to receive benefits while attending the University. Point University has been certified as a not-for-profit institution by the Internal Revenue Service.

## **Mission and Goals**

**Mission:** The mission of Point University is to educate students for Christ-centered service and leadership throughout the world.

**Goals:** Point University believes that the goal of education is the development of the total person. The curriculum – biblical and theological studies, arts and sciences, and various professional studies – and the learning environment are designed to encourage students to grow spiritually, intellectually, socially, physically and professionally.

1. Spiritually – Point University seeks to encourage students to grow in faith in Jesus Christ, develop a Christian worldview, live by Christian virtues, and serve others.
2. Intellectually – Point University seeks to encourage students to think analytically and critically, communicate effectively, and demonstrate competence in biblical and theological studies, the arts and sciences, and professional studies in which they major.
3. Socially – Point University seeks to encourage students to respect and influence people of various cultures and live harmoniously in community.
4. Physically – Point University seeks to encourage students to develop lifestyles advantageous to good health.
5. Professionally – Point University seeks to encourage students to equip themselves with the knowledge and skills necessary to pursue a chosen vocation.

## **Church Identification**

Point University is a private university with strong support by congregations and individuals of the independent Christian Churches and Churches of Christ, a non-denominational fellowship sometimes referred to simply as Christian Churches. The educational program of the University is in harmony with the faith and practice of these churches.

## Doctrinal Position

Point University is committed to the Lordship of Jesus Christ, the oneness of Christians, and the evangelization of the world. Since the unity of the church is created and maintained through a common faith in Jesus Christ, Point looks to the inspired biblical record for the foundation of its faith. The Bible is the source of our knowledge of God and His Son, Jesus Christ. The academic program of Point has at its center the Bible, and every degree includes a major or minor in biblical studies.

The trustees and employees of Point affirm the biblical concepts reflected in this statement of faith and have committed themselves to living a life that reflects their presence:

- We believe in the one God, Creator of heaven and earth, who eternally exists in three persons: Father, Son and Holy Spirit.
- We believe that God the Son assumed human nature, was born of a virgin, ministered in word and miracle, died for our sin, was raised bodily from the dead, ascended to God's right hand where he presently reigns.
- We believe that the Holy Spirit indwells every Christian and is presently at work in the Christian community, empowering lives of godliness and service.
- We believe that the Holy Bible is inspired by God, trustworthy in its teaching, and the final authority for all matters of faith and practice.
- We believe that all of humanity, due to sin, is destined for death, corruption and separation from God apart from the redemptive work of Jesus Christ.
- We believe that Jesus Christ established his church to be one holy people, to glorify God, and to carry out his saving mission among all nations.
- We believe in God's saving grace that calls for faith, repentance, confession, baptism and new life and service through the Spirit.
- We believe in the blessed hope of the second coming of Jesus Christ, who will raise the dead and judge all with justice and mercy, and in the consummation of the Kingdom of God.

## Learning Resources

Media resources expand each year with carefully selected materials and from the contributions of materials of generous donors. Annual growth adds to the present 80,000 paper and electronic volumes plus thousands of full-text journal titles. The primary collection of print materials is located in the library at the East Point off-site location. The main campus in West Point houses the Learning Commons in the Academic Center. An intra-library loan system is in place that allows student to receive printed materials within one business day. Digital media is accessible at all University locations.

The main library in East Point has significant holdings concerning the history of the Restoration movement and biblical studies with emphasis on New Testament. Literature and history are also well represented thanks in part to a purchase made in 1981 by the generosity of the alumni of the University.

All Point University students have access to information in electronic form. A variety of databases, including GALILEO, cover all areas of study represented by the curriculum, and more. Thousands of book titles and journals are available full-text and indexing is available for thousands more journal titles.

## Main Campus and Off-Site Locations

### WEST POINT

In fall 2012, Point relocated to a new main campus in West Point, Ga. The West Point campus also offers the Access program for adult learners, while the East Point campus has been repurposed to serve primarily adult students.

Founded in 1832, the idyllic town of West Point is home to 3,500 residents along a scenic stretch of the Chattahoochee River on the I-85 corridor, just an hour's drive from the capital cities of Atlanta and Montgomery, Ala., and four hours from the Gulf coast beach and Georgia mountains. Part of the Greater Valley Area, West Point straddles Troup and Harris Counties in Georgia and sits just minutes from the Alabama cities of LaFayette, Lanett and Valley across the border. In fact, Point's traditional students will live in apartments just across the state line in Valley.

Formerly a commercial hub for textile production, today's West Point has a thriving economy as home to Kia Motors' first U.S. automotive plant, which opened in 2010 and is expected to bring upwards of 20,000 jobs to the region by 2012. West Point has a walkable, historic downtown with an eclectic assortment of shops -- from antiques and unique home furnishings to quaint apparel and accessories boutiques -- and eateries including Asian, Southern and pub-style cuisine. Cultural opportunities in the area include a community theater, a 600-seat town auditorium and a local outdoor amphitheater. The town sits just downstream from the 26,000-acre West Point Lake offering 500 miles of shoreline for fishing, camping and water sports. The nearby Valley Community Center and Sportsplex offers tennis courts, baseball fields, soccer fields and a 64,000-square-foot aquatic Olympic center with a walking track, basketball, racquetball and football facilities.

### EAST POINT

Point's East Point off-site location is located in one of the fastest-growing areas of metro Atlanta. A city of approximately 40,000, East Point is located just inside I-285 on Atlanta's south side. Residents and businesses alike appreciate East Point's proximity to downtown Atlanta and the Atlanta airport, along with its sense of community. Downtown East Point is experiencing a revitalization, with shops and restaurants opening frequently, loft-style condominiums being built in former warehouses, and upscale residential construction in several established neighborhoods. On the other side of town, a large retail complex, Camp Creek Marketplace, boasts big-box retailers as well as a variety of restaurants. [Click here to visit the city's website and learn more about what's happening in East Point.](#)

The location itself, which rests on 54 beautiful, serene acres of rolling hills and shade trees, is located just 10 miles south of downtown Atlanta in a quiet, residential neighborhood. The land was at one time a family farm, and the birthplace of Nora Head Hathcock. The land was donated to Point by University founders Judge and Mrs. T. O. Hathcock.

### PEACHTREE CITY

The Peachtree City off-site location offers degrees through our Access program for adult learners, core curriculum for traditional students, and dual credit enrollment courses for high school students.

### SAVANNAH

Point offers the Access program for adult learners at an off-site location in Savannah, Ga.

## About the Access Program

The goal of Point University's Access program is to provide quality courses that integrate faith and learning in a nontraditional format for the adult student. We understand the unique challenges faced by adults who want to pursue their degrees. We strive to serve our students and look to assist them as they seek a Christ-centered education.

Our program has been developed to serve the adult student. We recognize that adults have many roles and responsibilities in their busy days, and that their time is limited. We have designed our programs to meet those needs; classes meet one night each week, and progress at an accelerated pace.

The Access program at Point is designed for the working adult, providing a rigorous, sequenced curriculum that fosters a lifelong love of learning; shared experiences; and a deep sense of commitment to the betterment of society, beginning with the betterment of the learner's understanding of the world. Programs are structured to enable students to complete undergraduate degrees while maintaining full-time employment and meeting the demands of everyday life.

The Access program is specifically designed to be flexible in order to meet the needs of adults in the marketplace. Within each program, both theoretical knowledge and practical skills are used to provide the learner with the tools necessary to be successful in the global marketplace.

As an Access student, you will join a small cohort of adult students who will track through their degree program together. Each cohort follows a sequential schedule. Each course is taught one night a week from 6 to 10 p.m. and lasts five weeks. Cohorts take one course at a time, meeting on the same night and at the same time and place every week. Having classes on the same night every week gives you the convenience to plan events based on a regular schedule. The small class format provides peer support, as well as faculty who are focused on student learning.

# ADMISSION INFORMATION

## General Requirements

Admission is granted on the basis of satisfactory evidence that a student has the ability to succeed at Point University. In keeping with the mission and vision of Point University, the admission process seeks reliable confirmation of a student's Christian character, academic preparation and social development.

Admission policy and decisions are administered by the Access Admission Committee. A student's admission to the University does not guarantee successful completion of any particular program of study.

All applicants must have basic computer proficiency including email and internet usage.

## Application Procedures

**GENERAL PROCEDURES:** To apply for admission as a student in the Access program:

1. Students must be at least 21 years old.
2. Complete an Application for Admission.
3. Send official transcripts from all colleges or universities previously attended to the Access Admission Office.\* Students must have a 2.0 cumulative grade point average for acceptance.\*\*  
*Note: If college transcript shows fewer than 12 semester hours or 19 quarter hours of transferable credit, student must also submit an official high school transcript showing the date of graduation.*
4. Students having earned a General Education Diploma (GED) may be considered for admission by submitting an official copy of the GED.
5. Students must have one year of relevant work and/or volunteer experience.
6. Supply one character reference.
7. Pay the \$25 application fee upon submission of the application.

\*Failure to send all official transcripts will result in a delay in processing an admission application.

\*\*Applicants who have less than a 2.0 cumulative grade point average on either high school or college transcripts will be required to take the Compass exam. Students who score below designated program level scores will take a 5 week, non-credit College Success class. Upon successful completion of the class, the applicant is eligible for admission to the Access program.

**Proof of English Proficiency:**

- If English is not the student's first language, he or she must show proof of English proficiency by: Submitting a TOEFL score of at least 80 on the iBT (with a minimum score of 20 in each section) OR score 550 on the paper-based exam, OR score 213 on the computer-based exam. All score reports must be official. TOEFL scores must be *less than two years old* if the student has not been studying at a U.S. institution since taking the exam.

When the necessary items are received, the student's application is evaluated and the student is notified of his or her admission status. Applicants are encouraged to begin and complete the admission process as quickly as possible. Adequate time must be given for other institutions to send transcripts and documentation to the Access Admission Office.

An application is valid for one academic year. Updated application forms are required if one year has elapsed since the application was submitted.

**RE-ADMISSION POLICY:** Students who have not been in attendance at Point University for ten consecutive weeks may be eligible for re-admission. Students who have been previously enrolled in any Point University program may be eligible to apply for re-admission. The Re-admit Application must be completed and filed with the Access Admissions office and all requested documents submitted for consideration. It is important to include the names of any academic institutions attended since enrollment at Point University. The request for readmission must be submitted thirty (30) days prior to the intended cohort start date.

Students will be considered for re-admission who:

1. Receive approval and clearance to affirm all previous business and academic matters have been resolved (clearance will be obtained from the University's Business, Financial Aid, Registrar and Student Services offices);
2. Have a minimum 2.0 GPA from Point University; and
3. Have not been in attendance at any Point University program for more than ten weeks.

**INTERNATIONAL STUDENTS:** The Access program is not accepting international students at this time.

# FINANCIAL INFORMATION

## Educational Expenses

The specific costs of tuition, fees, room and board are published for each academic year on the University's website ([www.Point.edu](http://www.Point.edu)) and in a supplement available from the Business Office. Tuition and fees are listed separately for the University's traditional program and for the Adult and Professional Studies program.

**TUITION AND FEES:** Point University recognizes that cost is an important factor to be considered when evaluating a degree program. The goal of the University is to provide a quality Christian higher education at an affordable price. Fees and tuition costs are limited to those listed below:

Application Fee (non-refundable)	\$25
Registration Fee (non-refundable; will be applied to tuition)	\$100
Tuition (cost per credit hour)	
100- and 200- level courses	\$340 per credit hour
300- and 400- level courses	\$425 per credit hour
Graduation Fee (assessed after completion of degree program)	\$100 per degree earned

*Textbooks are provided to all Access students at no additional cost.*

## Application for Financial Aid

The Financial Aid Office coordinates the campus-wide administration of all financial aid programs. For up-to-date information, please visit the Point University website.

Many Point students are able to meet the costs of a university education with various types of financial assistance including scholarships, grants, loans and work-study arrangements. New and continuing students may apply for financial aid throughout the year. In order to ensure consideration for all types of aid and the availability of funds at the time of registration, all of the following steps should be completed no later than March 15 for the fall semester and October 1 for the spring semester:

1. Complete the process of application for admission to Point (see *Admission Information*, p. 10).
2. Complete the Free Application for Federal Student Aid (FAFSA), available online at [www.FAFSA.ed.gov](http://www.FAFSA.ed.gov).
3. If a resident of the State of Georgia, complete the GSFAPPS application for the Georgia Tuition Equalization Grant Program, Zell Miller and HOPE Scholarship for private colleges, available online at [www.GAcollege411.org](http://www.GAcollege411.org).
4. Submit additional required documents to the Financial Aid Office as requested.

Applications completed and/or submitted after the stated deadlines will be deemed late applications and cannot be given priority consideration. Completing the financial aid application process late may result in reduced assistance and/or the need to use personal funds to pay for

tuition and fees at the time of registration. Students should make and retain a copy of each completed form before mailing it.

A student who receives federal or state financial aid must: (1) be a U.S. citizen or permanent resident alien; (2) meet Selective Service registration requirements; (3) not be in default on a prior student loan; (4) not owe a refund on federal or state financial aid; and (5) maintain satisfactory academic progress.

## Federal Aid Programs

**FEDERAL GRANTS:** All qualified students can be considered for both the Federal Pell Grant and the Federal Supplemental Education Opportunity Grant (SEOG) by completing the Free Application for Federal Student Aid (FAFSA), available online at [www.FAFSA.ed.gov](http://www.FAFSA.ed.gov). These programs are funded by the federal government and are based on financial need.

**FEDERAL DIRECT LOAN PROGRAM:** Under the Federal Direct Loan Program, the Department of Education makes low-interest loans directly to students through the University. A subsidized student loan is awarded on the basis of financial need, based on the completed FAFSA, and the federal government pays the interest on the loan until the student graduates and/or during authorized periods of deferment. An unsubsidized student loan is not based on need and the student is charged interest from the time the loan is disbursed until it is paid in full. The Federal Direct PLUS Loan enables a parent with a good credit history to borrow funds in order to pay the educational expenses of a dependent student. The student must have a completed FAFSA on file to participate in this program.

**FEDERAL WORK-STUDY:** Financial aid may also include a variety of work-study arrangements that enable qualified students to supplement their financial resources through part-time work on campus. Application for Federal Work-Study is made through the Financial Aid Office. Placement in a campus job is made through the Center for Calling and Career.

## Georgia Aid Programs

**ZELL MILLER SCHOLARSHIPS:** The Zell Miller Scholarship program is designed to reward students who achieve and maintain high academic progress. To qualify for this program a student must meet all of the requirements for HOPE Scholarship (see below) and must, additionally, achieve a high school HOPE (core) GPA of 3.7 or higher and achieve a 1200 or better on the math and reading portion of one SAT administration or a composite score of 26 or better on one administration of the ACT. The student must also maintain a 3.3 GPA while in college. A student who qualifies for the Zell Miller Scholarship is eligible to receive \$4,000 per academic year for full-time study or \$2,000 for half-time study. This amount is subject to change from year to year.

**HOPE SCHOLARSHIPS:** The HOPE Scholarship is Georgia's unique and nationally recognized program for helping its students succeed. Helping Outstanding Pupils Educationally (HOPE) is an educational program to reward students who have earned good grades by helping with the expense of continuing their education after they graduate from high school. If a student has been a Georgia resident for at least two years or graduated from a Georgia-approved high

school and has one year of residency prior to enrolling in a degree program, he/she may be eligible for the HOPE Scholarship. A student may be eligible to receive the HOPE Scholarship immediately following high school graduation if the student has achieved a 3.0 HOPE (core) GPA upon graduation. A student may also be eligible to receive the HOPE Scholarship if he or she has achieved a 3.0 college GPA at 30, 60 or 90 attempted hours. Every HOPE eligible student must maintain a GPA of 3.0 to continue receiving the scholarship. HOPE recipients receive \$3,600 per academic year scholarship for full-time study or \$1,800 for half-time study. This amount is subject to change from year to year.

**GTEG:** The Georgia Tuition Equalization Grant (GTEG) is for residents of Georgia seeking degrees from eligible private colleges and universities, located within the State of Georgia to assist with their cost of attendance. GTEG recipients must enroll as full-time students in order to receive this grant. GTEG recipients receive \$700 per year. However, the amount of this grant varies from year to year depending on the State of Georgia budget.

## Other Sources of Assistance

Certain students are eligible for assistance under programs administered by the Veterans Administration, the Social Security Administration and other organizations and agencies. Additional information may be obtained through the Financial Aid Office.

**VETERANS' BENEFITS:** Certain armed service veterans and dependents qualify under federal laws administered by the veterans' administration are eligible to receive educational benefits. Information about these programs may be obtained by writing the state veterans administration office.

**VOCATIONAL REHABILITATION BENEFITS:** Individuals with physical disabilities classified as vocational handicaps may receive financial aid from state departments of vocational rehabilitation. Detailed information is available through the department of vocational rehabilitation in the student's home state.

## Satisfactory Academic Progress for Federal Financial Aid

In accordance with the federal regulations under Title IV of the Higher Education Amendments, a student must maintain satisfactory academic progress in order to receive federal financial aid. The requirements for satisfactory academic progress for federal financial aid at Point University are defined as follows:

**QUANTITATIVE:** A full-time student must take at least 12 credit hours per semester or complete at least 24 credit hours during an academic year. A  $\frac{3}{4}$ -time student must take at least nine credit hours per semester or complete at least 18 credit hours during an academic year. A half-time student must take at least six credit hours per semester or complete at least 12 credit hours during an academic year. A student who changes enrollment status during the year must complete the requirements of the number of hours for each enrollment status. For example, a

student who is enrolled full-time one semester and half-time the next must complete at least 18 hours during the academic year (12 + 6).

**QUALITATIVE:** Any student must successfully complete 67 percent of all credit hours attempted and maintain a GPA of 2.0. Only grades of A, B, C and D will be considered as credit hours completed.

A student who does not pass at least 67 percent of the credit hours attempted during one academic semester and maintains a 2.0 GPA will be placed on federal financial aid warning for one semester. If a student who is on federal financial aid warning does not pass at least 67 percent of all credit hours taken during the next semester, that student will be placed on federal financial aid suspension. A student on federal financial aid suspension is not eligible to receive federal financial aid for the next semester for which federal financial aid is available.

A student who is not eligible to receive federal financial aid due to lack of satisfactory progress is eligible to apply for federal financial aid after: (1) enrolling in one full-time semester at one's own expense; and (2) meeting the satisfactory academic progress policy.

**APPEAL OF SUSPENSION OF FEDERAL FINANCIAL AID:** A student who believes he/she has mistakenly been placed on federal financial aid suspension should appeal to the Financial Aid Office in writing. The appeal must include an explanation (including documentation) of the circumstance that negatively impacted the achievement of satisfactory academic progress requirements and what the student plans to do in the future to ensure that he or she will meet satisfactory academic progress in the future. The written appeal should be submitted to the financial aid office within 30 days of receipt of written notification from the financial aid office. The appeal will be presented to the Appeals Committee, which is chaired by the vice president of enrollment management and consists of University faculty and staff. The decision of the Appeals Committee will be final. If the student's appeal is approved by the Committee, the student will be placed on federal financial aid probation for one semester. The student will also be given an academic plan consisting of milestones the student must meet in order to continue receiving federal financial aid. Failure to meet or exceed any of the milestones outlined during any semester will result in the student being placed on federal financial aid suspension until he or she meets the satisfactory academic progress requirements detailed above.

**TIME REQUIREMENTS:** All Point University students have 150 percent of the required hours in his or her degree program to complete the degree. For example, a student who is enrolled in a degree program that requires 120 completed hours may attempt up to 180 hours and continue to be eligible for federal financial aid. Hours used in calculating timeframe include all hours attempted at Point University and any hours the student earned at another college or university that are being accepted for credit toward his or her current degree. A student who fails to complete his or her degree within the specified timeframe will be placed on federal financial aid suspension and will no longer be eligible to receive federal financial aid.

A written institutional policy which explains in detail the procedures to be used by the institution for compliance with the provisions of Title IV of the Higher Education Amendments may be found in the Financial Aid Office. Initial inquiries concerning Title IV should be referred to the Financial Aid Office.

## Payments, Non-Payment and Refunds

**PAYMENTS:** All charges for the entire session are to be paid prior to the first class meeting. Students who are admitted to the University accept the contractual terms and regulations set forth in this catalog and are liable for the payment of all charges and fees incurred during their university stay. A consent agreement is signed by each student that makes each student liable for the payment of all charges and fees incurred by the student while enrolled.

Any account balance due for any preceding session must be paid before a student will be enrolled for the succeeding session. The registrar is not permitted to release transcripts until all indebtedness to the University is paid. A student will be allowed to graduate only after he or she has settled all of his or her indebtedness to the University with the Business Office

A student who has not made satisfactory arrangements with the Business Office regarding his or her account may be administratively withdrawn from the University.

**NON-PAYMENT:** Students who fail to pay their education costs by the payment deadline may be removed from class and prohibited from re-enrolling, taking final exams or receive transcripts, graduate, or register in future semesters.

**REFUNDS:** Students who officially withdraw from the University are entitled to refunds according to the following policies:

- All refunds for charges to the student's account will be granted on the basis of the date on which written notification of the student's intention was received by the Access Office.
- The application fee and registration fee are nonrefundable.
- Only upon proper withdrawal procedures and return of undamaged books will tuition for the full session be refunded.
- Tuition refunds will only be issued upon written notification of total withdrawal based on the following guidelines.
  - Drop before first scheduled day of class 100% refund
  - Withdrawal before second scheduled day of class 75% refund
  - Withdrawal after second scheduled day of class No refund
- A student who is dismissed for disciplinary reasons forfeits the right to a refund of any charges.
- A student who is dismissed for disciplinary reasons forfeits the right to a refund of any charges.

**WITHDRAWAL AND THE IMPACT ON STUDENT FINANCIAL AID:** Students who completely or partial withdraw from a term or semester and received financial aid are subject to a possible return of Title IV funds. This is known as a Return of Title IV Funds (R2T4) in which the Financial Aid Office calculates an amount to be returned based on the Refund, Repayment, and Withdrawal Schedule. The Financial Aid Office calculates the amount to be returned in accordance with applicable federal regulations and students will receive a written notice of any federal funds returned by the University. Invoices for any balance owed to the University will be sent out according to the Student Accounts Office policy. Any funds left on account at the University as a credit balance at the time of withdrawal will be used first to satisfy unpaid charges owed the University.

The refund to the Title IV programs must be returned in the following order:

1. Federal Unsubsidized Stafford Loan
2. Federal Subsidized Stafford Loan
3. Federal Plus Loan
4. Federal Pell Grant

# ACADEMIC INFORMATION

## Academic Policies and Procedures

**ACADEMIC ADVISING:** The Access Student Services Office acquaints students with options for developing a plan for degree completion at the time of orientation. Each student should meet with an advisor throughout his or her time at Point University to ensure that all coursework is completed in order for all graduation requirements to be met.

**REGISTRATION PROCEDURES:** An Access student may attend a course only when he or she has been registered and paid for the course. New students participate in orientation on campus prior to being registered for their program.

In the first semester, students receive their schedules and the registrar will register them once the Access Student Services Office supplies the approved course of study. Courses during the following terms are automatically registered by the registrar unless students contact the Access Student Services Office to make changes. All changes are considered official when received and approved by the Registrar's Office. It is important for students to contact the Access Student Services Office as soon as they determine to make changes.

**SEMESTERS AND CREDIT HOURS:** Point University's academic calendar is based on a 12 credit-hour semester. Courses are offered on a semester-hour basis. Three semester hours (or three credit hours) signifies that a course meets for one four-hour period per week for five weeks, with additional outside assignments completed with their peers in a project team.

**SEMESTERS AND COURSE LOAD:** The standard course load per semester for a student is 12 credit hours. A semester is composed of four (4) sessions of five (5) weeks each (a total of 20 weeks in each semester). In order to achieve a 12 credit-hour semester load, a student must register for one (1) three credit hour course in each of the four sessions in the semester:

Session 1 (five weeks)	3 semester credit hours
Session 2 (five weeks)	3 semester credit hours
Session 3 (five weeks)	3 semester credit hours
Session 4 (five weeks)	<u>3 semester credit hours</u>
Total (20 weeks)	12 semester credit hours

A student taking up to 11 hours in one semester is considered a part-time student. A student taking 12 hours or more in one semester is classified as a full-time student.

**SEMESTER OVERLOADS:** A student who has completed at least 12 semester credit hours with a GPA of 3.0 or better may request to register for an academic overload. An academic overload is considered to be 13-18 semester credit hours. A student may make the request for the overload through the Access Student Services Office.

A student requesting to enroll in more than 18 semester credit hours must:

- Request and complete the Request for Academic Overload form available from the Access Student Services Office.

- Have the registrar sign that form signifying that the student has successfully completed at least 12 semester credit hours with a cumulative GPA of 3.0 or better.
- Return the form to the vice president for adult and professional studies for approval.

Only after the vice president for adult and professional studies has approved the request may a student enroll in more than 18 semester hours during any given semester.

The maximum number of credit hours that a student should expect to register for in a given semester is 21 credit hours. Only in extreme circumstances will approval be given for more than 21 semester hour in a given semester.

**NOTE:** *Academic overloads are viewed as a way for students to make up class work for which they have withdrawn or may not have completed successfully. Taking an overload such be the exception rather than the rule and should not be viewed as an avenue to significantly reduce degree completion time. The Access program is an accelerated program by design.*

**STUDENT CHANGES IN ENROLLMENT:** Once registered through normal procedures, a student may enroll in (add) or withdraw from (drop) a course by completing the appropriate form which is available online and through the Access Student Services Office.

Any change in academic enrollment or schedule (drop or add) must be initiated in the Access Student Services Office. To add or withdraw from a course, the student should complete the add/drop form available online or through Access Student Services Office.

**NOTE:** *Students should consult the Access Student Services Office before deciding on a change. Students receiving financial aid are also required to check with the Financial Aid Office regarding possible consequences before adding or dropping a course.*

Students may only add or substitute a course to a semester during the first five weeks of that semester. Students may only add or substitute a course two weeks prior to the start date of an individual course. Any student desiring to drop a course must do so before the fifth class period.

A student's academic transcript records the courses in which the student is enrolled at the conclusion of the drop period. Courses dropped during the drop period do not appear on the transcript for that semester. A refund of tuition is possible during this period.

**Note for financial aid purposes:** *The student's enrollment at the end of the drop period is counted as that semester's attempted hours in financial aid considerations, especially the HOPE Scholarship, even if a course is later dropped with a "W" or "WP" or "WF".*

The day prior to the first class meeting is the last day to drop classes without financial or academic penalty. Withdrawal on or after the day of the first class will result in a withdrawal failing (WF) or withdrawal passing (WP), as appropriate. Withdrawal before the first day of class will result in a 100 percent refund. Withdrawal before the second scheduled class day will result in a 75 percent refund. There is no refund after the second scheduled day of class and all classes will appear on the Point University transcript and considered in the calculation of a student's grade point average (GPA). If the student is eligible for the Georgia HOPE Scholarship, the course(s) will count as attempted hours. Drop forms are available in the Access Student Services Office. If a student wishes to withdraw from the entire program *before* the second class meeting, the student must fill out a program withdrawal form available in the Access Student Services Office and billing charges will be adjusted. If a student wishes to withdraw from the entire

program *on or after* the second class meeting, the student must complete a program withdrawal form available in the Access Student Services Office and billing charges will be adjusted.

**INVOLUNTARY WITHDRAWAL:** A student may be involuntarily withdrawn from a course for reasons including, but not limited to the violation of University policies governing academics – such as the Class Attendance, Absences and Lateness Policy or academic dishonesty – or the violation of regulations or policies stated in a course syllabus. The student will be notified of the involuntary withdrawal by the Registrar’s Office. If the student is withdrawn after the drop-add period, the professor designates a grade of “WP” or “WF,” as appropriate, with a “WF” treated as an “F” for GPA calculation. Unlike a voluntary withdrawal by the student, an involuntary withdrawal may occur at any time during the semester.

A student that is not enrolled in a class for more than 10 weeks will be automatically withdrawn from school if they have not made a previous request for a leave of absence (see Leave of Absence Policy).

A student who believes an error has been made in an involuntary withdrawal may appeal to the registrar. The appeal must be made in writing within 48 hours of the notification of the involuntary withdrawal, giving evidence for the believed error. The student may and should continue in class attendance as long as an official appeal is pending. The registrar will respond with the decision in a timely manner, either to reverse or uphold the involuntary withdrawal. If a student contends that the registrar’s response to the appeal is not correct, that decision may be appealed by the student to the Academic Committee. The appeal must be made in writing, addressed to the vice president for adult and professional studies, and submitted within 24 hours of the registrar’s notification. The decision of the Academic Committee will be final.

In cases involving an involuntary withdrawal from one or more courses for non-academic reasons – such as the violation of University student development policies, the health or safety of the student or others, and/or the nonpayment of fees – the student may appeal the decision to an appropriate University official according to the procedures governing that area as set forth in other University publications. For example, the appeal of a Student Development Office decision would follow the procedures presented in the *Covenant for a Christian Community*.

**LEAVE OF ABSENCE POLICY:** Point University’s Access program understands that life events may require a student to modify class enrollment and schedules. The leave of absence policy is designed to allow the student flexibility in his/her program enrollment to adjust to significant life events. The leave of absence policy also allows students the opportunity to make up any courses (based upon course availability) missed during the approved leave. Students should be aware that significant periods of absence may impact timeliness of degree completion. A student on an approved leave of absence will be considered enrolled at Point University and would be eligible for an in-school deferment for student aid loans. Federal financial aid and in-school deferment may be negatively impacted if a student fails to apply for the leave of absence or if the application is denied. *This impacts students who receive Title IV federal financial aid (Federal Pell Grants, Federal Supplemental Grants, Federal Stafford Subsidized or Unsubsidized Loans, Federal Parent Loans) or who want to have a federal student loan deferred from payment while in school.*

**Who needs to request a leave of absence?** Students who will be out of attendance for a period of up to twelve (12) weeks should request a leave of absence. Students out of class for scheduled class breaks do not need to apply for a leave of absence.

**How does a student request the leave?** Students seeking a leave of absence should contact the Access Student Services Office and make a formal application for an approved Leave of Absence. The student must complete and sign a Leave of Absence (LOA) request form. A student may request the form by mail or email. The form may also be obtained in person from the Access Student Services Office or may be downloaded from the University website. Students must request the leave of absence/registration change within 14 days of the desired leave start date.

**When should the leave be requested?** The request should be made prior to the date the leave is to start. The start date of the leave is the last day of the currently enrolled course OR the first date of the class if the class has already started.

**What are the criteria for a request to be approved?** An approved leave of absence must meet the following criteria:

- The request must be received within 14 days of the registration change;
- The request must be made prior to the start of the leave (first day of class);
- The reason for the request must be one approved by the University Leave of Absence Committee /Student Appeals committee (military, medical, jury duty, loss of job, family emergency, employment emergency, or other reasons as approved by the Committee);
- Appropriate documentation must be submitted if the request is submitted after the first day of class.

**What kind of documentation is required, and when should it be submitted?**

Documentation is required if the request for the leave of absence is made after the beginning date of the leave of absence, and needs to address the nature of the reason for the request. Documentation for each circumstance will vary; the student is required to provide whatever paperwork from a third party will attest to the circumstance outlined on the application form. Examples would include physicians' statements, letters from employers, letters from pastors or counselors, court documents, etc. Documentation is also required if a request is submitted after the first day start of class deadline, and needs to address the reason for the delay in the submission of the request.

**How long may a leave be?** The leave of absence must not exceed 12 weeks in a 12-month period. Time in excess 20 weeks will not be approved.

**What if the leave needs to be extended?** A student may request an extension to a leave providing the request is made before the end of the leave; there are unforeseen circumstances which prevent the return from the leave; and the total number of days of approved leave do not exceed 20 weeks in a 12-month period.

**What if a student fails to return from a leave of absence?** Failure to return from an approved leave of absence may have an impact on student loan repayment terms as well as the grace period. The first day of the leave will be reported as the beginning of the leave period.

**What if a student returns early from a leave of absence?** Students may return early from an approved leave of absence. The leave will be shortened according to the student's return date. Students must see their academic advisor to discuss return to class and inform the Registrar's Office of their re-engagement in classes.

**What about disbursements and payments during the leave of absence?**

Students will not receive disbursements of Title IV student loan financial aid funds during the leave. Students are not deferred from making regularly scheduled payments to the Student Accounts Office for normal fees incurred. The student's account will be frozen and any unearned additional funds will not be disbursed and posted. If the student cannot return on the re-entry date indicated on the LOA Request form, the student must contact their student services advisor and Financial Aid Office. A student may request a leave-of-absence extension but students who do not return and do not

notify the University of that intent will be withdrawn from the University. Any unearned financial funds will be subject to return to the originating federal or state aid source. At that point the student is responsible for any monies owed to the school.

**RE-ADMIT POLICY:** Students who have not been in attendance at Point University for 10 consecutive weeks may be eligible for re-admission. Students who have been previously enrolled in any Point University program may be eligible to apply for re-admission. The Re-admit Application must be completed and filed with the Access Admissions Office and all requested documents submitted for consideration. It is important to include the names of any academic institutions attended since enrollment at Point University. The request for readmission must be submitted thirty (30) days prior to the intended cohort start date.

Students will be considered for re-admission who:

1. Receive approval and clearance to affirm all previous business and academic matters have been resolved (clearance must be obtained from Point University's Business, Financial Aid, Registrar and Student Services offices);
2. Have a minimum 2.0 GPA from Point University; and
3. Have not been in attendance at any Point University program for more than ten weeks

**CLASS ATTENDANCE, ABSENCES AND LATENESS:** Class attendance is mandatory. The nature of the adult studies program requires that students be present for each class and participate in all group activities and team meetings. If you miss a class, you have missed more than just a lecture. Sharing your personal work, life and ministry experience is a critical part of adult education. If you are not in class, the whole class suffers. While attendance is crucial for success, an extreme circumstance may occur that will prevent a student attending a class. The following policy has been developed to assist students in understanding the importance of class attendance and the potential consequences of excessive class absences:

- Class attendance records are collected by the professor and recorded by the Registrar's Office for each night of class.
- Students arriving after the rosters have been collected should obtain a tardy form from the instructor. Tardy forms must be signed by the instructor and will be returned to the Registrar's Office. Two tardy occurrences shall be counted as one absence.
- Students are expected to be present when class begins, and remain the entire class session. Faculty members reserve the right to factor lateness, early departures and class attendance into a student's grade, as long as it is addressed in the syllabus.
- Under emergency circumstances, a student may be allowed one absence. The student is responsible for contacting the faculty member concerning the absence and for all make-up work.
- A student who misses any two nights of class will be automatically withdrawn from class and receive a grade of WF or WP.
- A student who appears on the class roll but does not attend the first two class sessions will be automatically withdrawn from the class by the Registrar's Office.

**NOTE:** While most classes allow for one absence, it is intended to be used for an emergency or unforeseen circumstance. It is not intended to be used by the student to miss class for any other reason. Students who elect to use their one absence to miss class for any other reason and then find that they must miss a second class due to an emergency or other unforeseen circumstance are subject to automatic withdrawal for missing more than 20 percent of scheduled class time.

## Grading Policies

**GRADING SYSTEM:** The system of grades and point values followed by the University is as follows:

<b>Grade</b>	<b>Meaning</b>	<b>Grade Points</b>
A	Excellent	4
B	Above Average	3
C	Average	2
D	Below Average	1
F	Failing	0
P	Passing	not calculated in GPA
I-“grade”	Incomplete	determined by “grade”
R	Audit	not calculated in GPA
W	Withdrawal	not calculated in GPA
WP	Withdrawal Passing	not calculated in GPA
WF	Withdrawal Failing	0
NG	No Grade	not calculated in GPA

The number of grade points earned in any course is determined by multiplying the number of semester hours by the number of points given for the grade received for the course. A student's grade point average (GPA) is determined by dividing the total number of points earned by the number of hours taken. Grades of “P,” “R,” “W,” and “WP” are not considered in calculating a student's institutional GPA. The minimum cumulative GPA for all work taken at Point specified in Student Classifications must be maintained to remain in good academic standing (see Academic Probation and Suspension).

**AUDIT OF COURSES:** A student who has been accepted into a Point University Access degree program or as an unclassified student may choose to audit specified courses within a core program or electives as follows:

- Audit registration is allowed on a space-available basis.
- The audit fee per credit hour must accompany the registration. Audit fees are \$60 per credit hour for any Access bachelor-level course, and \$50 per credit hour for any Access associate-level course.
- Auditing a course gives one the right to attend the course. No credit or letter grade is given. The course will be indicated as an "AU" on the student's transcript.
- The student auditing the course is not expected to participate in classroom or study group assignments, or to complete homework, quizzes or tests.
- The facilitator is under no obligation to grade any work an auditing student chooses to submit or to give feedback on progress.
- The materials required for the course are optional for auditing students. If one wishes to purchase materials, the fees must accompany the registration.
- The student must meet course pre-requisites or be approved by the vice president for adult and professional studies.
- No change may be made from audit to credit or credit to audit, after registration closes.

**PASS/FAIL GRADING:** Some courses are designated as having pass/fail grading. The credit hours for a pass/fail course carry full academic credit (e.g., toward the required hours for graduation, the satisfaction of degree requirements, and the calculation of the student's academic load, as appropriate otherwise). In a pass/fail course, the student's grade is registered

as “Pass” or “F.” A grade of “Pass” for a pass/fail course is given in lieu of “A” through “D” grades, appears as a “P” on the student’s transcript, and does not affect the student’s GPA. A grade of “F” for a pass/fail course is calculated in the student’s GPA on the same basis as any other failing grade. Adding or withdrawing from a pass/fail course is conducted on the same basis as other courses.

**INCOMPLETE WORK:** If a student is unable to complete work in a course because of personal illness or sickness or death in the family, the student must contact the professor and may receive a grade of Incomplete (“I”). Incompletes will be granted by the professor only if the extenuating circumstances are sufficient in his or her estimation to have made it impossible for the work to have been done before the end of the course. Any conditions for receiving an Incomplete and completing the course, such as a shortened time limit, are set by the professor at the time the Incomplete is granted.

The professor and student must fill out the Incomplete Grade form stating why the student cannot complete the course, date to be completed and grade at the time of the agreement must be established. This work must be completed within 30 days of the course ending.

To give a student an Incomplete grade in a course, the professor submits a grade of “I-B,” “I-C,” “I-D” or “I-F.” The second letter indicates the grade the student would have received if all incomplete work had been given a score of zero in the normal grading system for that course. For the purpose of calculating a student's GPA, an Incomplete grade will be given the grade point value of the letter after the “I.” When the student has completed the work, the professor then submits a final grade. At the end of the next semester, any Incomplete not replaced by a submitted final grade will automatically and permanently convert to the letter grade after the “I” which was initially submitted by the professor. The professor and the registrar are not responsible for notifying or reminding the student regarding an Incomplete.

**RETAKE:** A student may retake a course for which he or she has received a grade at Point University.

- If the course is retaken at Point, the lower grade and credit hours previously received are not calculated and the higher grade and credit hours are used in recalculating the Point GPA.
- If the student takes the course at another institution, receives a higher grade, and transfers that course to Point subject to the normal transfer of credit practices, the lower grade and credit hours previously received at Point are not calculated in the Point GPA. The transfer credits and grades are not used in calculating the Point University GPA.

A student who fails a required course should retake the course the next time it is offered.

**CHANGE OF GRADE:** The change of an academic letter grade may be made after a final grade has been submitted if the case involves a professor’s error. Grades may also be amended following a successful academic appeal by the student (see Appeal of Grades below).

**APPEAL OF GRADES:** A student who believes that he/she has been treated unfairly in the recording of a final course grade may file an academic appeal. The appeal must be based on evidence that a grade was assigned on a basis other than performance in the classroom. Students are urged to first address the issue with the instructor on an informal basis as most academic issues may be resolved by this approach. However, if the issue is not resolved by this

approach or the student can provide evidence of a hostile relationship with the instructor that makes this approach not feasible, the student make register an academic appeal by the following:

1. The student must file a written academic appeal with the director of academic services for the Access program using the Academic Appeal Form. The Academic Appeal Form is available in the Access Office, may be downloaded from the Access website, and/or may be emailed to a student upon request. *NOTE: The appeal request MUST be received within five weeks from the day that the grade was officially posted for student viewing. The University will not consider appeals filed after that date.*
2. Upon receipt of the appeal, the director of academic services may speak to the instructor, the student, or both in an effort to resolve the issue. After investigating the appeal, the director of academic affairs will make a written response (either by letter or email) to the student within seven days of receipt of the written Academic Appeals Form.
3. If the director of academic services is not able to resolve the complaint, or the student is still not satisfied that the complaint has been resolved, the student may request that the written appeal be forwarded to the vice president for adult and professional studies.
4. Upon receipt of the request, the vice president for adult and professional studies will forward the written Academic Appeal Form to the Academic Appeals Committee for consideration. The committee may convene a hearing in which the student may present his/her case for the appeal. Students are allowed to bring any written documentation, witnesses, or other materials that supports their case. *NOTE: An academic appeal hearing is not an official judicial hearing and therefore no legal representation is permitted.* Appeals that are governed by institutional or academic policies or by any applicable federal, state, or local law may be decided by the committee without the convening of a hearing.
5. The Academic Appeals Committee will respond to the student in writing concerning the disposition of the appeal within 10 days of the hearing date. The decision of the Academic Appeals Committee is final.

## Academic Conduct

Students are expected to exercise Christian virtues in every area of their lives. Truth and honesty, integrity and diligence are encouraged and should characterize the academic conduct of every student at Point University. Each student is encouraged to engage in honest intellectual effort and ethical behavior in order to achieve the full development of the student's potential. Therefore, misbehavior in academic matters is considered a serious problem and an affront to the entire University community.

Whenever a faculty member, student or staff member becomes aware of academic misconduct, that person should report the misbehavior to the course instructor or another appropriate University official. Examples of academic misconduct include but are not limited to:

- Plagiarism - Essays, term papers, projects, tests, homework and other course requirements must be the work of the student submitting them; when an idea or quotation of another is used, it must be appropriately acknowledged with proper citation.
- Cheating on a test or other assignment.

- Unauthorized collaborating - a student shall not receive assistance not authorized by the instructor in the preparation of any assignment; a student shall not knowingly give unauthorized assistance to another person in such preparation.
- Selling, loaning or sharing a copy of an examination (or information about an examination), whether past or current.
- Providing false or inaccurate information to an instructor or other academic personnel, such as marking an attendance sheet for an absent student.
- Altering an academic transcript, grade report or other University document.
- Disrupting classroom, field trip, advising or other academic activities, either on or off campus.
- Being rude or disrespectful toward an instructor or fellow student.
- Misusing advanced technology in class (e.g., a laptop computer for non-class-related purposes).
- Using a cell phone, sleeping, inattentiveness, doing non-class-related work or activity, or other such inappropriate classroom behavior.
- Bringing children in the classroom during evening class hours or allowing unescorted children in Point University buildings at any time.

Academic misconduct is addressed by the instructor of the course in which it occurs. A professor has the prerogative to take a variety of actions, as appropriate, including but not limited to: count a student absent; require work to be redone, in whole or part; require additional work; give a lower or failing grade for an assignment or test; require the student to leave a class session; withdraw the student from the course; and/or give an immediate failing grade for the course.

In all cases of academic misconduct, the faculty member will inform the director of academic services in writing of the occurrence and how it was resolved at the class level. The director of academic services for the Access program keeps information documenting instances of academic dishonesty. For the first offense of plagiarism, the student will be subject to disciplinary action including a grade of "zero" for the assignment. For a second offense, the student will receive a failing grade in the class the plagiarism occurs. For a third offense, the student will be dismissed from the Access program.

A student who believes an error has been made by an instructor in a case of academic misconduct (e.g., who denies the academic misconduct, disputes the facts of the case, believes the sanction is inappropriate) may appeal the decision and corrective action of an instructor to the vice president for adult and professional studies. The appeal must be made in writing and received within one week of the instructor's decision, stating evidence for the believed error. A duplicate copy of the appeal letter should be submitted to the course instructor. The vice president for adult and professional studies will investigate and respond to the appeal with a decision in a timely manner. The vice president for adult and professional studies is the final level of appeal for all issues in the Access program. The student may and should continue in class attendance and participation as long as an official appeal is pending. A student may appeal a suspension or expulsion due to academic misconduct to the president of the University, whose decision will be final.

## Credits from Other Sources

**TRANSFER OF CREDITS:** Point University accepts credits for equivalent courses bearing “C-” or higher grades to Point from institutions accredited as degree-granting by a regional accrediting body for higher education at the time the coursework was completed. Credits from colleges that are accredited by other accrediting bodies, as recognized by the U.S. Department of Education, are considered on a case-by-case basis. Credits from non-accredited colleges are not transferred.

Comparable nature, content, and level of credit are considered in determining the appropriateness of the transfer. Only those courses which satisfy degree requirements are transferred. A tentative evaluation of credits for transfer may be made as part of the admission process. The registrar will officially transfer credits after the student has been accepted and declared a degree program.

Only credits taken at Point University contribute to the student’s cumulative GPA; transfer credits and grades are not used in calculating the Point GPA. The credits and grades for transfer courses used to satisfy degree requirements are considered in determining graduation honors.

**CREDIT BY EXAMINATION:** Point recognizes the earning of credit by examination from sources with known validities and reliabilities. Credit by examination scores should be submitted to the registrar, who determines the applicability of particular external examinations to the requirements for a degree from Point. Point’s off-site location in Peachtree City administers the computer-based College Level Examination Program (CLEP) and DANTEs (DSST) tests.

Academic credit toward graduation requirements for a degree will be awarded for the results of credit by examination under the following conditions and limitations:

1. The testing program/examination is recommended as the basis for awarding University academic credit by the American Council on Education (ACE): e.g., Advanced Placement (AP), College Level Examination Program (CLEP), DANTEs Subject Standardized Tests (DSST), and military courses.
2. The number of semester hours awarded is normally determined according to the ACE recommendation and University requirements for the specific course.
3. A credit-by-examination score may be used to earn three semester hours of credit for ENG 101 or ENG 102: Critical Reading and Writing I/II or six hours for both. If the AP “English Language and Composition” exam or “English Literature and Composition” exam is taken, a score of three or above is necessary. If the CLEP exam titled “College Composition” is taken, a score of 50 or above is necessary.
4. Credits earned by external examination are placed on the student’s transcript and treated as transfer credits. Credit earned by external testing will be designated on the transcript by a grade of “Pass.”
5. A maximum of 25 percent of the semester hours required for a traditional degree may be satisfied by external examinations.
6. No credit by examination may be awarded for coursework that the student has already received documented credit for (For example, if a student has already been awarded credit for PSYC 101 Introduction to Psychology (either transferred or earned at Point), the student cannot take the psychology CLEP exam to receive additional credit).

**CREDIT BY PORTFOLIO ASSESSMENT:** Point University recognizes the earning of credit by portfolio assessment for documented learning in adult and professional studies degree programs, based on the guidelines and assessment techniques established by the Council for Adult and Experiential Learning (CAEL). A portfolio for documented learning is submitted by the student to the vice president for adult and professional studies.

The vice president for adult and professional studies shall assign the portfolio assessment to a faculty member with expertise in the area of the requested credit. The faculty member shall assess the portfolio based on guidelines and assessment techniques established by the Council for Adult and Experiential Learning (CAEL).

Students should be aware that portfolio credit earned at another institution may not automatically be transferred to Point University. Students who have received such credit at Point University should also be aware that portfolio credit may not be accepted by other institutions to which they transfer. Students are urged to contact the receiving institution for policies concerning transfer of portfolio assessment credit awarded by another institution.

Credit by portfolio assessment will be awarded under the following conditions:

1. Portfolio credit is eligible for award only in B.S. programs. Portfolio credit cannot be applied to an A.A. degree.
2. Students interested in earning credit by portfolio for documented learning must attend a *Portfolio Preparation Seminar*, scheduled throughout the year.
3. Portfolio credit for documented learning is assessed by the Adult and Professional Studies Office on the basis of licenses, certifications, professional or technical courses, workshops and/or other non-credit learning (that do not have ACE recommendations otherwise). The portfolio must include:
  - a. The student's resume' and an autobiographical sketch;
  - b. Substantial documentation of clock hours, content, and completion for each source of learning; and
  - c. A value of learning statement for each topic area.

One semester hour of credit may be awarded for 20 hours of documented instruction that is determined to be validated as college level.

4. A maximum of 20 semester hours of credit may be earned through portfolio assessments.
5. Portfolio credit and credit earned through external examinations may not exceed 25 percent of the semester hours required for a B.S. degree.
6. The student must have successfully completed 12 or more semester hours of coursework in the Access program at Point University prior to receiving credit by portfolio assessment for documented learning.
7. A non-refundable assessment fee is required with the submission of a portfolio (currently \$150).
8. The Adult and Professional Studies Office recommends the awarding of credit to the registrar based on the portfolio assessment conducted by an appropriate faculty member. Upon payment of a non-refundable, per-semester-hour fee (currently \$75 per semester hour of credit awarded), the Registrar records the credit for documented learning on the student's permanent transcript.
9. Credit by portfolio assessment is awarded for a specific course in any current Point University catalog.
10. The process of receiving credit by portfolio assessment must be completed prior to the beginning of the student's final semester of coursework in the Access program as noted on the student's degree completion schedule.

**TRANSIENT STUDENTS FROM POINT AT ANOTHER UNIVERSITY:** A transient student is one who, with advance approval of the registrar, takes one or more courses at another regionally-accredited institution of higher education to meet curricular requirements at Point University. Such a student is considered a Point University student while studying elsewhere. Any and all credits taken as a transient student are subject to the normal transfer of credit practices. Students are urged to contact the registrar to ensure that transient credit for which they intend to enroll will be accepted.

A student in the Access program wishing to take a course in the traditional program at Point University should receive permission through the Registrar's Office by completing the process as a transient student.

**CHANGE OF CAMPUS:** Students may take courses at any Access instructional site.

## Learning Assistance

Point University is focused on helping students achieve academic success. The University provides a variety of services to assist students in the Education Resource Center (ER):

- Helping new students adjust to the academic and social demands of University life;
- Cooperating in placement testing, academic advisement and program selection of at-risk students;
- Providing support to students at any stage of the writing process;
- Assisting with reasonable accommodations for special-needs students, working with faculty and other staff to meet those needs as appropriate; and
- Offering instruction and materials to individuals and groups in topics such as effective time management and study skills.

Students may receive assistance at the Educational Resource Center or by contacting the director of educational resources by phone or e-mail.

## Physical and Learning Disabilities

Point University is committed to a policy of non-discrimination toward persons with disabilities, including the provision of auxiliary aids and services for students with disabilities. The University recognizes that not all hearing-impaired students need sign language interpreters for all classes. Some students can tape-record lectures and have volunteers transcribe the tapes. Some students can have fellow students take notes for them. Furthermore, other auxiliary aids and services, including hearing aids and voice-recognition devices, may provide meaningful access to classroom lectures without the need for a sign-language interpreter. Finally, the University recognizes its obligation to the larger University community to provide auxiliary aids and services in the most cost-effective and least disruptive manner to its academic programs as possible while still providing meaningful access to classroom lectures for students with disabilities.

Any student requesting auxiliary aids from the University, including sign-language interpreters, must comply with the following process:

1. Thirty days prior to the commencement of the academic semester requested, the student must apply to the director of disability services. The application must state the specific auxiliary aid or service requested and must provide the University with any evaluations that support the request. The request should discuss what alternative auxiliary aids or services may be available and why these alternatives either are or are not appropriate to provide the student meaningful access to classroom lectures.
2. The University will engage in an interactive process with the student, which may include formal requests for documentation. The process will include consideration of any recommended reasonable modification or adjustment that would enable the student to have an equal opportunity to benefit from the academic program and will take into consideration such factors as: the extent of the student's disability; the student's prior use of auxiliary aids; the nature and complexity of the program content; and the modes through which course content is presented.
3. The process may include consultation with course instructors or specialists familiar with the student's disability, when appropriate. The determination regarding auxiliary aids and academic adjustments is made after a reasoned deliberation by an individual with relevant training, knowledge and experience that includes a review of course or program requirements and available options and alternatives. The person making any decision whether a student requires auxiliary aids and the auxiliary aids to be provided will be knowledgeable and informed about (or will make the decision based upon documentation received from a person who is knowledgeable and informed about) the nature of the student's disability, and the effect on the student's performance in all aspects of the program.
4. Based upon the student's request and upon the information discussed above, the University will make a determination as to what auxiliary aids and services it will make available to the student to provide meaningful access to classroom lectures. In making its determination, the University may require the student to submit to an evaluation by an evaluator selected and paid for by the University. In determining whether and what aids and services to provide the student, the University will take into account the cost-effectiveness of the aids and services requested; their suitability to the student; the availability of suitable, less costly, alternatives; and the disruptiveness to the academic program of the University.
5. The determination of the director of disability services will be provided in writing to the student. If adverse to the student, it will include a statement that the determination may be appealed to the president of the University by submitting a letter to the president so stating within 30 days of the adverse determination.

**GRIEVANCE PROCEDURE:** It is the policy of Point University not to discriminate on the basis of disability. The University has adopted an internal grievance procedure for prompt and equitable resolution of complaints alleging any action prohibited by Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794) ("Section 504"). Section 504 prohibits discrimination on the basis of disability in any program or activity receiving federal financial assistance.

Any person who believes he or she has been subjected to discrimination on the basis of disability by the University may file a grievance under this procedure. It is against the law for the University to retaliate against anyone who files a grievance or cooperates in the investigation of a grievance.

All such grievances should be addressed to the director of disability services, Kathy David (404-460-2480; *Kathy.David@point.edu*) who has been designated the University section 504 coordinator, unless the grievance is against the coordinator, in which case grievances should be addressed to the vice president for academic affairs.

**Procedure:**

1. Grievances should be filed in writing, stating the name and address of the person submitting it and a brief description of the nature of the complaint.
2. A grievance should be filed within 30 days after the person became aware of the alleged violation.
3. The section 504 coordinator or someone designated by the coordinator shall conduct an investigation of the complaint in an impartial manner. The investigation may be informal, but it will be thorough and afford all interested persons the opportunity to submit evidence and present witnesses relevant to the complaint.
4. The section 504 coordinator will issue a written decision on the grievance within thirty days of filing. The University will take steps to prevent recurrence of any discrimination and to correct discriminatory effects if appropriate.
5. The person filing the grievance may appeal the decision of the coordinator to the president of the University by a letter to the president so stating submitted within 30 days of the adverse decision. The president will make a written decision within 30 days of the appeal.

## **Campus Technology**

Point University provides modern, well-equipped computer facilities for student use. Computers are available in the Library computer lab, the commuter lab across from Room 108, as well as the commuter lounge in the Hathcock Center, and other places at Point University locations. The computer lab is located in the lower level of the Library and is available to all students during regular Library hours (except during times when the lab may be scheduled for a class). In each location, every computer is connected to the Internet through the University's high-speed network with access to software for word processing, spreadsheets, databases, presentations, web browsing and interactive course materials.

Wireless internet access is available in the Library, McKinney's Coffeehouse and many other places at Point University locations. Students can register for classes, check grades or transcripts, and update their personal information online.

## **Student Classifications**

Students are classified according to the total number of semester hours completed for credit at Point and transferred from other colleges to fulfill degree requirements. The expected minimum GPA is determined by the student's class standing. If a student earns enough hours in a given semester to move from one minimum GPA requirement to another, the higher requirement applies.

Listed below are the five basic classifications:

<u>Academic Classification</u>	<u>Cumulative Semester Hours</u>	<u>Minimum Cumulative GPA</u>
Freshman	1 - 29	1.8
Sophomore	30 - 59	1.9
Junior	60 - 89	2.0
Senior	90+	2.0

## Honors

**SEMESTER:** Full-time students who have a Point semester grade point average (GPA) of 3.50 or above will be recognized in the Dean's List for that semester. The student must complete at least 12 semester hours at Point University in a given semester to qualify for the Dean's List.

**GRADUATION:** Members of each year's graduating class receive their B.A. or B.S. degrees cum laude if their cumulative GPA at Point University is 3.50-3.699, magna cum laude if their GPA is 3.70-3.899, and summa cum laude if their GPA is 3.90-4.00. A student with transfer credits may not receive graduation honors greater than the level warranted by the cumulative GPA for all courses used to fulfill degree requirements (i.e., all Point credits and the transferred credits). Determination for honors will be calculated on the next to last semester completed before graduation.

**NATIONAL HONOR SOCIETY:** Point University is home to the Psi Upsilon chapter of Alpha Sigma Lambda, a nationally recognized academic honor society for adult students. Alpha Sigma Lambda is also the oldest adult honor society in the United States. Students enrolled in both A.A. and B.S. programs are eligible for membership. Members are inducted on an annual basis.

To meet the standards for membership to the Psi Upsilon chapter, students shall satisfy the following requirements:

1. Members must be matriculated and have a minimum of 24 graded semester hours or the equivalent\* at this institution and shall be matriculated students in one of the degree offerings in the Access program. These credits must not include transfer credits. All 24 credits must be taken through and graded at Point University and must be included in the student's GPA.  
*\*Thirty-six quarter hours or an approved number of unit courses equal to twenty-four.*
2. At least 12 credits of a student's total credits shall be earned in courses in liberal arts/sciences, not including applied arts/science courses. If the student has not earned 12 liberal arts/sciences credits within the required 24 credits completed at Point University, the necessary number of accepted transfer credits may be added to the 24 earned from this institution until the liberal arts/science requirements have been satisfied.
3. Members shall be selected only from the highest 20 percent of the class who have 24 graded credits and are matriculated in an undergraduate degree program.
4. Those selected must have a minimum GPA of 3.5. The cumulative scholastic record of the student as interpreted by this institution shall be the basis for computing scholastic eligibility.

## Academic Probation and Suspension

**ACADEMIC WARNING:** A student whose semester grade point average (GPA) falls below 2.00, but whose cumulative GPA is above the standard stated in the Student Classifications section, receives an academic warning prior to the following semester. A student receiving an academic warning can continue enrollment without interruption. The warning status serves as an aid in advisement and the scheduling of extra-curricular activities.

**ACADEMIC PROBATION:** If a student's cumulative GPA falls below the academic standard stated in the Student Classifications section, that student is placed on academic probation for the following semester. The registrar will notify students in writing if they have been placed on academic probation. Students on academic probation are not eligible to enroll in overloads, transfer credits from another institution or enroll in courses on a pass/fail basis except by direct approval from the registrar. While on academic probation, the student will not be permitted to receive an "I" grade in any course.

If the cumulative GPA is still below the expected minimum GPA the semester following being placed on probation, but the student's semester GPA is at least 2.0, the student is allowed to continue on probation for the following semester.

**ACADEMIC SUSPENSION:** A student may be academically suspended for the following semester under either of the following circumstances: (1) if the cumulative GPA of a student who is on academic probation continues to fall below the academic standard stated in the Student Classifications section the semester following being placed on probation and the student's semester average is below 2.00; or (2) if the cumulative GPA of a student falls below 1.00, whether or not that student is on academic probation. Academic suspension is a status that bars a student from continued enrollment at Point University or any other institution for one semester. After the one-semester suspension, the student is eligible to reapply for admission on academic probation. Failure to have a semester GPA of at least 2.00 for the first semester after that readmission results in suspension for one semester.

**APPEAL OF PROBATION OR SUSPENSION:** A student who believes he/she has mistakenly been placed on academic probation or suspension may appeal to the registrar in writing. The appeal should specify the suspected error or errors. If a student contends that the registrar's response to the appeal is not correct, that student should appeal in writing to the vice president for adult and professional studies. The decision of the vice president for adult and professional studies will be final.

## Requirements for Graduation

To qualify for graduation from Point University, a student must fulfill all of the following:

1. Complete the curricular requirements prescribed in the catalog for the degree program that is chosen. The student is subject to the curricular requirements in the catalog in effect at the time of entrance into the University. A student whose enrollment has been interrupted and who is readmitted is subject to the catalog in effect at the time of readmission. If a degree is not completed within six years, the student may be subject to the requirements in the current catalog.

2. Earn the total number of semester hours prescribed in the catalog for the degree that is pursued.
3. For bachelor of arts or bachelor of science degrees, a student must successfully complete at Point University no less than 25 percent of the semester hours required for the degree. For associate of arts degrees, a student must successfully complete at Point University no less than 30 of the semester hours required for the degree. Normally, the minimum number of semester hours required at Point University are the last hours earned for the degree.
4. Attain a cumulative grade point average of at least 2.00 for any degree.
5. Make application for graduation to the registrar. The completed application must be turned in by the appropriate deadlines as published for each graduation and accompanied by the graduation fee set for that year (graduation fees are non-refundable). If the student does not complete the requirements for graduation within one year of the application date, a new application will be required, plus the amount of any graduation fee increase(s) since the initial application. If the student's enrollment is interrupted after an application for graduation is made, the student is subject to the University's readmission processes and policies and a new application for graduation must be submitted.
6. The student must complete both the Bible Content Test and the ETS Proficiency Profile (no fees are assessed to the student for these tests) which are used as exit exams for institutional effectiveness research and do not affect the student's grade point average. Other tests might be required in the future to measure and improve the quality of the Access program.
7. Meet all financial obligations or make satisfactory arrangements for payment with the Business Office. Diplomas will not be awarded and transcripts will not be released if a student owes money to the University.

It is the student's responsibility to complete all requirements for graduation. It is also the student's responsibility to complete and submit the application for graduation.

## Other Policies

**RELEASE OF INFORMATION:** The Family Educational Rights and Privacy Act (FERPA) of 1974 was designated to protect the privacy of education records, to establish the right of students to inspect and review the education records, and to provide guidelines for the correction of inaccurate or misleading data through informal and formal hearings. Students are encouraged to fill out a FERPA release form naming the person or persons with whom the student gives the University permission to discuss education records. Students at Point University are accorded all of the rights and privileges as provided under the Act. Students also have the right to file complaints with the Family Educational Rights and Privacy Act Office concerning alleged failures by the institution to comply with the Act.

**TRANSCRIPT OF CREDITS:** A transcript request form is available on the University website. The student's signature and pertinent information is required. While a nominal charge is made for transcript, a transcript is not released unless all financial accounts are settled.

**INCLEMENT WEATHER POLICY:** The official word on canceling classes or closing offices because of inclement weather will be placed on the University website and PointLearning. Text and e-mails will be sent and designated local media outlets will be contacted whenever such a decision is made.

# STUDENT DEVELOPMENT INFORMATION

*A Covenant for a Christian Community* is the University's official publication regarding student development. Students are expected to know and follow the policies, regulations and procedures presented in this catalog and the *Covenant*. Awareness of the University calendar, critical deadlines, and information sent to student email accounts are also the student's responsibility.

## Standards of Conduct

Standards of conduct and disciplinary procedures at Point University are presented in *A Covenant for a Christian Community*. This covenant covers all areas of student life and is available on the University website under the Student Life section. It is designed to encourage student conduct that reflects Christian principles, including honesty, integrity, modesty and respect for individuals and the University community. The *Covenant's* application for Access Program students will be appropriate for adult learners.

The vice president for spiritual formation is the primary person responsible in matters relating to student conduct and decorum. In a case where a student does not make satisfactory adjustments to University life, the processes outlined in the *Covenant* will apply.

Discipline, which may include dismissal, will be administered as necessary when credible evidence exists that a student has engaged in an illegal activity (e.g., the possession, distribution, or use of illegal drugs) or has violated University policies and regulations. Point University is a smoking and alcohol free environment for all students.

This section is provided for informational purposes. For complete information regarding standards of conduct, please refer to *A Covenant for a Christian Community*.

## Student Services

The offices of the director of student services and retention for the Access program and of the assistant vice president for enrollment management work together to provide student services for students enrolled in the Access Program. Those services include, but are not limited to:

- Point University's Center for Calling and Career, in East Point and online;
- Parking;
- Personal counseling services in East Point;
- Access Chapels, prayer and devotion opportunities;
- Prayer Requests on PointLearning;
- Beverages and snacks;
- Leisure, commons areas; and
- Referral to off-campus services (e.g., personal counseling, housing, health and social services, student employment opportunities).

# ACCESS DEGREE PROGRAMS

Point University offers the nontraditional student the associate of arts and bachelor of science degree options. In keeping with the purpose of the University, all courses and programs are designed to concur with a Christian worldview. Whether a person enrolls for only a few courses or completes a degree, the mission and vision of the University remain the same.

**CORE CURRICULUM:** The University's Access degree programs are based on a General Education Component and Biblical Studies courses.

**DEGREE PROGRAMS:** The bachelor of science (B.S.) degree program requires a minimum total of 120 semester hours of credit. For B.S. degrees, at least 25 percent of the total number of required semester hours must be taken at Point University. The associate of arts (A.A.) degree requires a minimum total of 60 semester hours of credit, at least 30 semester hours of which must be taken at Point University. The minimum number of semester hours which are required at Point University would normally be the last hours earned for the degree.

A student entering Point University with fewer than 45 semester hours of credit is required to apply for and complete the associate of arts degree. At the time of completion of the A.A. degree, a student may choose to continue his or her work towards the Bachelor of Science degree.

**CHANGES:** A Point University degree program's requirements and courses may be changed through appropriate academic channels at any time. For the most up-to-date and specific degree requirements, procedures and suggested semester-by-semester sequencing, see the University registrar or an academic advisor.

## A.A. and B.S. Degrees in Human Relations

The associate of arts degree in human relations combines the completion of the Access program's general education component with a first level of preparation for the student to function in a people-helping environment. The bachelor of science degree in human relations is designed to provide the broad preparation for the Christian to lead and serve in human- and social-services positions.

Graduates with a degree in human relations from Point University are prepared to assume a variety of positions in public, private and faith-based agencies, organizations and settings that provide social and human services, and to pursue further study in a related discipline.

**OBJECTIVES:** The objectives for the A.A. in human relations degree are that the graduate will be able to:

1. Communicate effectively orally and in writing.
2. Operate in the areas of humanities, social science and natural science.
3. Demonstrate skills in critical thinking, mathematics and computer literacy.
4. Demonstrate a basic understanding of the content of the Old and New Testaments.
5. Demonstrate a basic understanding of an integrated, Christian world view and the role of believers in the Body of Christ.
6. Demonstrate an understanding of the fundamentals of individual and social dynamics and ways to address human and social needs.

The objectives for the B.S. in human relations degree, building on the student learning outcomes of an associate degree, are that the graduate will be able to:

1. Compare and contrast the varieties of theories, issues and techniques in psychology and counseling.
2. Explain the intricacies of the psychological, physiological, developmental and spiritual make-up of man.
3. Distinguish between healthy and unhealthy patterns in the life, work and ethics of professional helpers.
4. Integrate psychological theory and theology.
5. Demonstrate an integration of personal strengths, the analysis and utilization of current research and the application of good helper principles.

## A.A. and B.S. Degrees in Organizational Leadership

The associate of arts degree in organizational leadership combines the completion of the Access program's general education component with a first level of preparation for the student to function in a business environment. The bachelor of science degree in organizational leadership is designed to provide the broad preparation for the Christian to lead and serve in business and society.

Graduates with a degree in organizational leadership from Point University are prepared to assume a variety of positions in corporate, private, government and non-profit organizations, and to pursue further study in a related discipline.

**OBJECTIVES:** The objectives for the A.A. in organizational leadership degree are that the graduate will be able to:

1. Communicate effectively orally and in writing.
2. Operate in the areas of humanities, social science and natural science.
3. Demonstrate skills in critical thinking, mathematics and computer literacy.

# COURSE DESCRIPTIONS

Each course description includes a course number, name, the number of semester hours, and a short explanation of course content. Course numbers for the Access program identify the area of the curriculum by a four-letter prefix and a general sequence by three numbers. In general, 100-level courses are taken by freshmen, 200-level courses by sophomore, 300-level courses by juniors and 400-level courses by seniors. The number of semester credit hours granted for each course is specified in parentheses after the course name.

## TERMINOLOGY:

- *Prerequisite* – A student must have completed the prerequisite course(s) or have attained a designated status before enrolling in the course.
- *Co-requisite* – A student must be enrolled in the listed co-requisite course at the same time (concurrent enrollment) in order to enroll in the course.

Courses and their descriptions may change, be added, or be deleted without notice through normal academic processes. The University reserves the right to withdraw any course for which there is insufficient registration.
