Your Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law says that before awarding Federal Student Aid, we may ask you to confirm the information you and your parents reported on your FAFSA. To verify that you provided correct information the financial aid administrator at your school will compare your FAFSA with the information on this worksheet and with any other required documents. If there are differences, your FAFSA information may need to be corrected. You must complete and sign this worksheet, attach any required documents, and submit the form and other required documents to the financial aid administrator at your school. Your school may ask for additional information. If you have questions about verification, contact your financial aid administrator as soon as possible so that your financial aid will not be delayed.

Providing the Required Tax Information

If you filed or are required to file 2015 taxes, you must provide information from the IRS in one of the following ways to our office. If you are a dependent student, this applies to you and your parent(s). If you are an independent student, this applies to you (and your spouse, if applicable).

Federal regulations prevent us from accepting copies of Federal Tax Returns (1040, 1040A or 1040EZ) for verification purposes except in the case of an amended return or if your tax return is a foreign income tax return.

If you did not use the IRS Data Retrieval when you filed the FAFSA, you can make a correction to your FAFSA approximately 1-2 weeks after the IRS accepts your tax return. If you cannot utilize the IRS Data Retrieval for any reason, we will require a 2015 Tax Return Transcript from the IRS. Please use the **Get Transcript by MAIL** feature at

www.irs.gov/transcript. You can also request one by calling the IRS automated number at 1-800-908-9946. Please order the Tax RETURN Transcript and not the Tax Account Transcript which we cannot use. Once you receive the Tax Return Transcript in the mail (approximately 5-10 days) send to our office a copy by mail, fax, or email. If you used the IRS Data Retrieval initially and then changed some of the data, you will need to provide us a copy of the Tax Return Transcript. If you or your parents owe the IRS, you may not be able to use the retrieval function or obtain a transcript until the IRS has received payment and processed the tax return.

Amended Tax Returns – Please send to our office a signed copy of the original 2015 tax return along with a signed copy of the 2015 1040X that was filed with the IRS.

Non-filers – If you will not file and are not required to file a 2015 Federal Tax Return, please provide copies of W-2 forms and any proof of income with the Verification Worksheet.

Filing Extensions – Please send to our office a copy of Form 4868, copies of your 2015 W-2 forms, and a signed statement certifying the amount of the AGI and U.S. tax paid for 2015.

Identity Theft – If you are unable to obtain an IRS Tax Return Transcript due to identity theft, please call 1-800-908-4490. You will be able to obtain an alternative document (TRDBV) that is acceptable for verification. We will also require a signed

statement by the tax filer that they were a victim of IRS-related identity theft and that the IRS is aware of it.
