TOTAL DEGREE CREDITS: 120

B.S. Human Relations Goals:

☐ The degree in Human Relations integrates a Christian emphasis with the basic research, theories and techniques of the helping professions. This degree is designed to broadly prepare Christians to lead and serve in human and social services positions.

☐ Graduates with a degree in Human Relations from Point University are prepared to assume a variety of positions in public and private faith-based agencies and organizations, as well as settings that provide social and human services.
