Move On When Ready Information Sheet

Move On When Ready Program: Move On When Ready (MOWR) is Georgia's new dual enrollment program that allows high school students to earn college credit while working on their high school diplomas. The new law streamlines the existing dual enrollment options (Move On When Ready, Accel and HOPE Grant) into one program with one funding source. By consolidating the existing programs into a single program, it will be easier for students and parents or guardians to navigate and take advantage of the available options to enroll in college courses while still in high school. The new MOWR program includes provisions to help remove some of the financial barriers that may prevent students from participating in a dual enrollment program (<https://apps.gsfc.org>).

Benefits of Move On When Ready: There are many advantages to participating in the Move On When Ready program at Point, such as flexibility of schedule; easy transition from high school to college; availability of financial aid for those who qualify; shortened time until graduation; and the opportunity to learn in a Christian environment.

Books: Students who are eligible for the program do not have to pay for books. They will be provided by the post-secondary institution.

MOWR Funding: To apply for MOWR funding, students must submit an application to the Georgia Student Finance Commission at www.gacollege411.org. All MOWR students must complete an application via online or by paper. It is important that any student participating in the MOWR program work with his or her high school counselor when deciding which classes to take, as MOWR funds can only be used toward approved classes. A course directory is available at www.gacollege411.com for listings of GSFC-approved courses.

Application Process: To apply for Move On When Ready at Point University, submit all of the required documents listed on the application checklist included in this packet. We encourage you to begin and complete the admission process as soon as possible.

Point University Requirements

GPA: **3.0** SAT: **970** ACT: **20**
