

Adjunct Instructor
Environmental Science Labs
(Day, West Point campus)

Point University is a private liberal arts institution that educates our students within a Christian worldview so they are equipped to take their faith into the marketplace and all of life while achieving their professional goals. We are training the next generation of Christian leaders to take the cross to more job sites, churches, industries, and nations than ever before.

Due to enrollment growth, Point University is seeking an **adjunct instructor to teach 2 sections of Environmental Science laboratory** per semester at the West Point campus. These laboratory courses are scheduled on Tuesdays and Thursdays.

REQUIREMENTS:

- Bachelor's degree in Environmental Science required, master's degree preferred
- Effective teaching ability/excellent communication skills
- Basic computer literacy
- Prior laboratory teaching experience needed
- Willingness to be a professional role model and mentor
- Commitment to undergraduate education, professional growth, service and scholarship in a distinctively Christian setting, including agreement with the University's mission and goals, values, and doctrinal statement

TO APPLY:

1. Please complete the on-line application.
2. In the position section, put "WPT" and the subject you are qualified to teach.
3. Please include three professional references with contact information.
4. Send copies of transcripts to jobs@point.edu (unofficial will be accepted for application purposes with official required for hiring).
