

Adjunct Instructors

(Online positions available)

Point University is seeking part-time instructors in the following disciplines for its online programs:

- Information Technology with a concentration in Network Administration
- Information Technology with a concentration in Information Systems Security

In addition to meeting the educational and spiritual requirements, applicants should have expertise in a relevant Information Technology specialty such as network design/engineering/operations, Information Security planning/operations, database administration, web/application development. Additional experience in Project Management and Industry certifications are a plus.

REQUIREMENTS

- Master's degree with 18 graduate semester hours in subject field; doctorate preferred.
 - Currently in high demand are 18 hours in programming or web design.
- Effective teaching ability/excellent communication skills
- Expertise in an Information Technology discipline such as network design/engineering/operations, Information Security planning/operations, database administration, web/application development, or server administration.
- Prior teaching experience at collegiate level preferred.
- Self-disciplined with excellent time management skills.
- Willingness to be a professional role model and mentor.
- Commitment to undergraduate education, professional growth, service and scholarship in a distinctively Christian setting, including agreement with the University's mission and goals, values, and doctrinal statement.

Additional Qualifications

- Project Management Experience
- Relevant Industry Experience
- Professional Certifications
