

HEERF II

The Higher Education Emergency Relief Fund II

The federal government has supplied money to institutions again to help students with major education disruptions due to the coronavirus pandemic. The government placed strict regulations on who could receive the funding. The institution carefully reviewed those regulations and made sure that we followed them closely.

You will have two options for your eligible payment amount from HEERF. The two options are:

- You can choose to have all or a portion of your payment applied to your Spring 2021 outstanding balance at Point University, or
- You can choose to receive the payment through your BankMobile account.

You will receive an email on Tuesday, February 23 with two forms, one for each option listed above. You will need to complete the form for the option you choose for the HEERF II payment by **THURSDAY, FEBRUARY 25 at NOON.**
