Additional comments

Troup County School Nutrition is looking for employees that can work within the hours of 6:30 to 2:30. Not all jobs will require these exact hours; we have some positions that work from 8 to 2, and others that work from 10:30 to 2:30.

We are looking for students that may want to work as little as a few hours a day for a few days a week; or they can choose to work Monday through Friday up to 35 hours per week. We allow flexible working hours based on each student's personal schedule; schedules will need to be set by the last day of the working week for the next week's schedule.

Interested students should contact Diane Pain (Nutrition Director) via email: paindm@troup.org.
