

## Commercial Sales Representative

No previous sales experience required

- Our Commercial Sales Representative will source new business and design, promote, and coordinate business-to-business sales.
- The successful candidate will work from home and source new business from anywhere in the English-speaking world.
- The successful candidate must have excellent communication skills and a working knowledge of SEO and marketing. The representative will need to be able to explain the benefits of our services to potential clients and demonstrate how they will benefit by buying our services.
- The Commercial Sales Representative will strive to source potential clients, create new relationships, retain customer loyalty, and expand existing business.
- The Commercial Sales Representative must be able to deal with the stress of changing deadlines, quota increases, and pressure to meet goals. They will have the ability to meet expectations while working independently.
- The position is full-time and is paid a salary with commission.
