

### **College of Arts & Sciences**

#### **Assistant Professor of Science – on-ground in West Point, GA**

Point University is a private liberal arts institution that educates our students within a Christian worldview, so they are equipped to take their faith into the marketplace and all of life while achieving their professional goals. We are training the next generation of Christian leaders to take the cross to more job sites, churches, industries, and nations than ever before.

Point University is seeking to hire a full-time professor in the College of Arts & Sciences to teach biology.

The full-time on-ground professor will primarily be responsible for majors-level freshman biology lecture and laboratory courses. Preferences will be given to candidates who hold a terminal degree, but it is not required.

#### **REQUIREMENTS:**

- **Graduate degree in biology** (*minimum of 18 graduate semester hours in biological sciences*)
- Prior teaching experience at collegiate level preferred
- Effective communication skills
- Basic computer literacy; experience with Canvas LMS a plus
- Willingness to be a role model and mentor to on-ground students
- Commitment to undergraduate education, professional growth, service, and scholarship in a distinctively Christian setting, including agreement with the University's mission and goals, values, and doctrinal statement.

#### **Please complete the online application.**

1. In the position section, enter APSCIWP.
2. Please include three professional references with contact information.
3. Send copies of transcripts to [Jobs@point.edu](mailto:Jobs@point.edu) (unofficial will be accepted for application purposes with official required for hiring.)
