Additional comments

Boones Creek Christian Church is a church with a rich history, founded in 1825, yet is still vibrant, growing, and alive with ministry today. The church is committed to missions, giving large portions of the General Fund offerings to local, regional, and international missions each year. Through an upcoming Senior Minister transition through retirement and COVID, with God's continued blessing, the church has remained healthy, strong, and growing.

This position is open due to the Senior Minister's retirement and the current Associate Minister being called as the next Senior Minister. This transition is currently taking place and before it is complete the church would like to have the next Associate Minister in place.
