

Internship Program

Lagrange, Ga

Job Type

Full-time, Temporary Internship

Description

Our Internship Program:

This program is designed for students that would like to get practical experience in the real work-force. Students will be exposed to various positions of Kimble's Food and will be able to gain hands on experience. Upon successfully completing the internship program, students will receive a certificate of completion as well as the possibility of full-time employment.

Basic Program Outline (depending on area of study- more time may be designated to one department over the others) runs 10-12 weeks:

Customer Support

Picking/Packing

Warehouse/ Receiving/Route Driving

Accounting

Project Management

Final evaluation done by President of the company/Internship mentor

- Students are required to submit a 3-4 page report or Power-point presentation summarizing what he/she learned during the internship and any suggestions before the final evaluation

Please send resumes to career.center@point.edu
