**Additional comments**

Mt. Bethel Christian Academy is seeking a dedicated Christian educator who is committed to academic excellence to join the Upper School Science Department. The vision of Mt. Bethel Christian Academy is to be a premier developer of highly successful, Christ-centered, servant leaders of tomorrow. The mission of Mt. Bethel Christian Academy is to provide a truly Christ-centered education for our children through an environment that develops and encourages academic excellence, spiritual growth, and a lifelong love and desire for learning.

This faculty member will be responsible for teaching 9th-12th grade students in a variety of courses as the schedule requires and will work collaboratively with the entire Mathematics Department. Possible courses could include On-Level, Honors, and AP Courses in Algebra I, Geometry, Algebra II, College Algebra, Precalculus, Calculus, Calculus AB & BC, and Statistics. This position is open to interested full-time and part-time candidates.
