What are the responsibilities/duties?

Are you looking for the opportunity to do ministry in a popular vacation destination? The Smoky Mountain Christian Church is located just a few minutes from Pigeon Forge/Gatlinburg, TN, and the Great Smoky Mountains National Park.

SMCC is looking for an experienced Worship & Family Minister who wants to help people and families find, follow, and worship Jesus. Your primary responsibility will be the oversight, outreach, and development of all programming for all children/youth from pre-school through high school. In recent years SMCC has become an older congregation so we're looking for someone who can be innovative in finding ways to reach and connect younger families to the church.

Sevier County has 5 high schools with an open enrollment; and the area also has a large Hispanic population. In fact, SMCC has a Hispanic congregation that uses part of our

facilities on Sunday/Wednesday nights for their gatherings, and the two congregations have held joint services and outreach events in the past. But perhaps what makes SMCC especially unique is that we get a lot of visitors (many of them repeat visitors) which creates ministry opportunities!

SMCC currently has a blended worship service with one of the worship teams consisting of some of our high school youth. So, while musical abilities are not required for this position if you're someone who also has some worship leading experience (or who just strums a guitar) who might be willing to plan and lead worship 1-2 Sundays a month with some of our youth we'd love to hear from you!

If interested in applying for this position please send resume and any supporting materials to our Senior Minister, Brian Powell, at brian@smokymountainchurch.com.

The Worship & Family Minister position at SMCC is for a full-time position and will be considered open until it is filled. Salary will be in the \$38,000-42,000 range depending on experience.

FYI: If you happen to look at our website to find out more about us, please know that we're working on and about ready to go live with a new SMCC webpage!
