

Dear ,

***If we don't hear from you by Monday at 5:00PM, you could lose your payment from HEERF II.***

We sent an email out earlier this week notifying you of the Federal Government's second round of Emergency Relief Funds (HEERF). At this time, you have two options for the HEERF payment. Please select one:

- **OPT IN:** Apply all or a portion of your payment to your outstanding balance. The remaining portion will be sent to you through your BankMobile account.  
To OPT IN, click [here](#).
- **OPT OUT:** Receive the payment through your BankMobile account without reducing any outstanding Spring '21 balance, if applicable.  
To OPT OUT, click [here](#).

Please [click here](#) for a short tutorial on the DocuSign process.

You will need to complete the Opt In or Opt Out form for the option you choose for the HEERF II payment no later than, **MONDAY, March 1 at 5:00PM.**

If you have any questions about this process, please contact the Student Billing & Payment Center at [Student.Billing@point.edu](mailto:Student.Billing@point.edu) or call 706-385-1018.

Sincerely,

Point University  
Student Billing and Payment Center
