

Annual Notice of Financial Aid and Consumer Information

This notice contains a summary of consumer information that must be made available to all students annually who attend Point University per federal regulations set forth by The Higher Education Act of 1965, as amended by the Higher Education Opportunity Act (HEOA) of 2008, which includes requirements for disclosing information to the public. The information will be sent to students via direct student email, and a paper copy will be available upon request. This information can also be obtained online with full details at: <https://point.edu/consumer-information/> and other links for the sections listed below:

Accreditation:

Point University is a nonprofit institution accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACS-COC) to award associate, baccalaureate, and master's degrees. More details regarding institutional and programmatic accreditations are found at <https://point.edu/about/leadership/accreditation/>.

The average Retention rate is 69% and Graduation rate is 40%.

Diversity plays a key role in who we are. Point has a diverse student population, with students who come from all over the world. <https://point.edu/student-experience/diversity/>.

Financial Aid and Billing Information:

98% of students who attend Point University receive scholarships or financial aid.

Financial aid programs are available for on-campus and off-campus students. Information about the terms and conditions of the financial aid programs, as well as the items listed below, can be found at: <https://point.edu/admissions/tuition-aid/financial-aid/>.

- Types of financial aid such as grants, scholarships, and loans.
- Additional information for Georgia state aid can be found at <https://www.gafutures.org/>.
- Access to the Free Application for Federal Student Aid and information on types of financial aid that students may be eligible to receive, such as federal, state, institutional, and private funding options that are available to aid in funding your college education.
- Information on what must be completed by the student so that funds can be processed and disbursed, such as Entrance Counseling and Master Promissory Note.
- Information on staying eligible to receive financial aid/Satisfactory Academic Progress (SAP).
