

## Head Coach – Football

Point University is a private liberal arts institution that educates our students within a Christian worldview, so they are equipped to take their faith into the marketplace and all of life while achieving their professional goals. We are training the next generation of Christian leaders to take the cross to more job sites, churches, industries, and nations than ever before.

This position is responsible for organizing and overseeing all phases of the Football program.

### Responsibilities and Primary Activities:

- Year-long recruiting of prospective student-athletes and complete management of the football program following NAIA, Appalachian Athletic Conference, and university guidelines.
- This individual will lead all aspects of the program, including but not limited to, the management of assistant coaches and graduate assistant coaches, game and practice plans, travel, budget, equipment maintenance, etc. This coach's philosophy must include educating the whole student-athlete spiritually, academically, and athletically.
- The Head Coach will schedule non-conference games in collaboration with the AVP and VP of Athletics.
- The Head Coach represents the department's mission and vision, which align with the University's.
- Maintains communications and regular contact with prospective student-athletes.
- Organizing prospective student-athlete day and campus visits with the Admissions office.
- Year-long program management monitors the academic progress of student-athletes and works with off-season conditioning programs.
- Scouting of opponents by attending games, viewing videos, or obtaining other scouting reports
- Commitment to community engagement and fundraising activities
- The position requires travel during the week and weekends.

**Position Requirements:** Bachelor's degree and prior coaching experience are required, master's degree and collegiate level coaching preferred. An ideal candidate will possess experience demonstrating strong coaching skills, good verbal and written communication skills, the ability to keep accurate records and stats along with experience with Word and Excel programs, and the desire to act as a mentor and role model to the student athletes.
